

Add Seamless & Secure Checkout To Your Website

With *MySchoolBucks Pay Express*, parents can easily pay for anything right from your website with the trusted, secure payment experience parents have come to expect from MySchoolBucks.

Take Payments Where You Need To

Place payment buttons in your website, email or social post! Get your store items in front of your parents, while offering a convenient way to collect payment.

Easy Checkout Experience

Visitors can pay right away - there is no need to create an account! Existing MySchoolBucks users can log in to their account and check out with their existing payment info!

Integrates With MySchoolBucks

Collect payments with a simple “copy and paste” of a button. Track sales and reconcile payments with comprehensive reports, all in MySchoolBucks.

Simple & Secure

All credit card information is protected with the highest standards of PCI compliance for end-to-end encryption using Heartland Secure™.

How It Works

Quickly generate MySchoolBucks Pay Express buttons and links for your store products to collect payments right within your school's website:

The screenshot shows a web form titled "Add Payment Button" for Heartland School District (NS). The form includes fields for "Button Name (Required)", "Description (Optional)", "Store" (set to "Default Store"), "Product" (set to "None Found"), "Button Style" (set to "Buy Now"), "Theme" (set to "Simple"), "Script" (set to "Compact"), and "Action" (set to "Go to product page"). There are "Cancel" and "Submit" buttons at the bottom right.

Create Button & Link

Set up a button and link from a store product.

This screenshot shows the code that will be displayed to customers. It includes a "BUY" button image, instructions to add the script to the "head" section of the web page, and the specific JavaScript code. Below that, it shows the code to be added to the "body" section of the web page, including a "Copy" button.

Share Your Button or Link

Copy and paste the provided code to place the button on your website or use the link in emails or social posts.

The screenshot shows a school website with a "Place Store Order" modal window. The modal contains a table with columns: "NAME", "STUDENT", "LAST PRICE", "QUANTITY", and "AMOUNT". Below the table are fields for "First Name", "Last Name", and "Email Address", along with a "Checkout" button. The background shows a child and a "Latest News" section.

Collect Payments

Parents can click on your button or link to checkout through MySchoolBucks.

Include Buttons & Links Wherever Your Customers Are Online

Available in multiple sizes and colors, MySchoolBucks Pay Express buttons are perfect for web pages, forms, emails, and more!
