

Accept school payments anywhere, for anything

MySchoolBucks Anywhere transforms any Apple iPad into a mobile point-of-sale. Accept credit card, cash and check payments anywhere for anything.

Accept Payments Anywhere

Take in-person payments at the main office, in the classroom or anywhere you need to collect them.

Convenience For Staff & Parents

With its easy-to-use design, anyone from staff to volunteers can readily accept payments from parents with ease.

Integrates With MySchoolBucks

Make reconciliation a breeze. Access reports for all in-person and online payments in one place, for complete financial control.

Simple & Secure

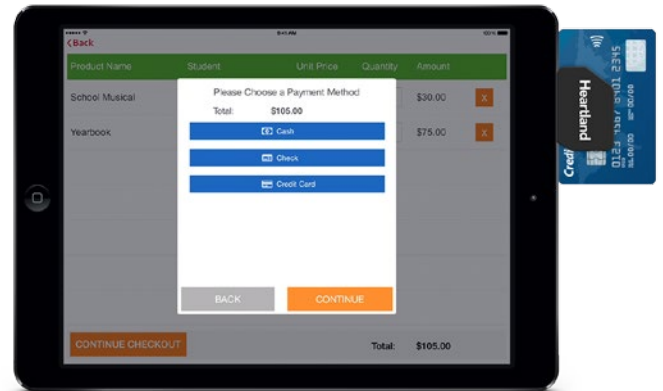

All credit card information is protected with the highest standard for end-to-end encryption using Heartland Secure™
